

H₂O

WATER-PROOF SCALE

WATER PROOF

FINE PARTICLE PROOF

PolySeal²
technology

Capacity: 3kg x 0.5g ~ 30kg x 5g

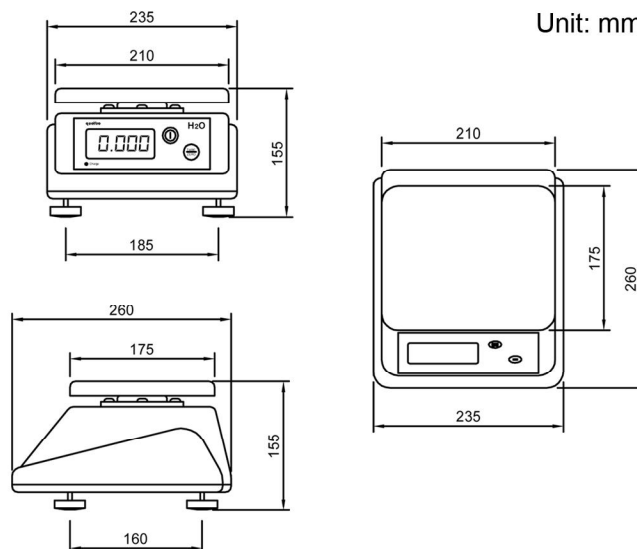

quattro

Features

Wide range capacity 3kg - 30kg
 Upto 1/7500 external resolutions
 Water-proof casing
 Fine particle proof
 PolySeal2 seal protection
 Stainless steel platter
 Rechargeable battery
 Low energy-consuming
 Clearly visible green backlight
 Zero/Tare function
 Small footprint

Dimensions

Unit: mm

▲ Clearly visible auto-backlight

▼ Anti-rust stainless steel platter
